

Aircraft First Aid/ Survival Kit Minimum Equipment List

Aviation First Aid Kit:

Johnson and Johnson #170

Survival Gear:

Firefly 2 Rescue Light	Bottled Water
1 Signal mirror	Beef Jerky
Thermal Blanket	Beef Stew
1 Rain Poncho	3 Emergency Survival Blankets
Matches	8 AA Battery Pack
Whistle	Small Flashlight
Compass	Plastic Bottle
Roll Paper Towels	Candle
Pocket pack Kleenex tissues	Cloths
1 Pocket Knife -3 "Blade	50' rope
50 gal. Garbage bags.	

Other items in the airplane that may be of use:

- Blanket
- Rope
- Screwdriver Combo Phillips/Flat
- Maps
- Flashlight

All this equipment can be placed in a 48 hour back pack or just a plain every day backpack. Be sure to look at your aircraft weight and balance charting to determine the allowable weight for Baggage area 2 in the C-172 and Hatshelf in the C-182. The key is to keep the pack as light as possible.
